Start the day more comfortably with the new Wake Up Light **XORO HMD 100**.

The integrated **clock** with wake up function controls the brightness of the lamp during the wake up process. So you start the day soft and gently. Naturally you have the possibility to turn on the digital FM **Radio** during the Wake Up mode. The halogen lamp produces light which is warm and similar to the sun.

*More comfortably you cannot start the day!*

Beside the clock the Xoro HMD 100 contains also a **calendar**.

Everything is presented on the big digital LCD screen.
